Alma Mater

Mid the hills of West Virginia
At the gateway of the West
Stands our dear 'ole Alma Mater
Loved by all of us the best
Gather 'round her stately columns,
Sweetest memories will cling
Of the days when Alma Mater,
Sheltered us beneath her wing.

Gauley High School, dear 'ole Gauley,
Often have we sung thy praise,
Often cheered her waving colors,
In our dear old high school days,
Every student, man, and maiden,
Sings to her a glad refrain,
'Till thy breezes music laden,
Wafts it back to you again.

May thy watchwords-Duty-Honor,
Be to us a beacon light
Guide our hearts 'ole Alma Mater,
Thru the darkness of the night,
May thy glory ne'er diminish,
May thy Grandeur never wane,
Be our Toast, our Pride, our Glory,
Alma Mater live and reign.

promise of love,

Are you lonely, O my brother?
Share your little with another!
Stretch a hand to one unfriended,
And your loneliness is ended.

For we must share if we would keep
That blessing from above;
Ceasing to give, we cease to have,
Such is the law of love.

peace, and beauty

It is easy to be pleasant
When life flows by like a song,
But the man worth while is one who will smile,
When everything goes dead wrong.

For the test of the heart is trouble,
And it always comes with the years,
And the smile that is worth the praises of earth
Is the smile that shines thru the tears.

Mr. and Miss Traveller

. . . A Successful Homecoming

Homecoming was officially underway as the annual parade through downtown Gauley Bridge began at the bottom of Scrabble Creek Hill. With more than thirty entires the parade was considered to be one of the best yet.
In the float competition the sophomores placed first, seniors second, juniors third, and freshman fourth.
The evening was almost complete when the Travellers defeated the Poca Dots of Pocatalico. The first score of the game came when senior halfback Alan Coleman took the ball over after a good drive. Poca then bounced back with a fumble recovery in our end zone. Alan Coleman then ran back an 85-yard kick-off return with a key block by Mark Cline. To lead off with the second quarter Allan Dye connected with Tom Smith for a 25-yard touchdown pass. Poca tried for a comeback but the never-dying Traveller spirit led the team to their second victory of the season. Of course, highlighting the evening was the coronation of Mr. and Miss Traveller and her attendants. Afterwards-A DANCE!

Put Some Fun In Your Life . . . Try Judging

The yearbook staff of Gauley Bridge High School sent Hillbilly editor pictures you see above. They asked him to pick out the prettiest and a runner-up. Well, the editor is

He confessed his cowardice at his morning coffee club. The club members (one is a real Circuit Judge) said let them judge. Okay, the editor shrugged. Let them judge and then take the fifth amendment of anonymity. So they chose. In fact they got such a kick out of the — to them — delightful chore, that other early morning coffee drinkers joined in. The majority favored two of the above. Now, put some fun in your life. Try judging. Next week, we'll give you the coffee club's

W. Va.'s Junior Miss

On January 15, 1972 amid all the excitement and tension of the 1972 West Virginia Junior Miss Pageant, a panel of judges selected Teresa Lynn Lucas, a senior at Gauley Bridge High School, to serve as West Virginia's Junior Miss. She will represent the state in the National Junior Miss Pageant to be held in Mobile, Alabama in April. She's our queen, West Virginia's queen, -- and America's queen? We think so!

The Class of '72 could easily be named "Class of Queens" as two senior girls left the common ranks to assume royal positions.

At the Oak Hill Sports Festival held in September, 1971, Christina Iturriaga was chosen to reign as Sports Festival Queen. Gauley Bridge was truly well represented.

Football

This past season, our football Travellers played outstanding football and reached their finest record since 1964, 6 wins, 3 losses, and 1 tie.

The season opened on a losing note at Ansted 14-2; however, this can be considered a good showing as Ansted, completed their regualr season undefeated and went on to win the Class A championship. The first home game with Lookout proved to be successful as the fired-up team put together their winning formula and won handily, 18-2. A week later, the team journeyed to Cowen for a match with the tough Bulldogs. After trailing nearly the whole ballgame, our guys pulled through with a fantastic effort and tied the score 8-8, with a last minute touchdown and extra-point. Next, our always hectic and fun-filled homecoming week was climaxed Friday night as the team again pulled the game out of the fire in the last minutes 18-14 over Poca. Swinging into October, we gained two hard-earned victories, at Richwood 10-0 against Summersville 22-16. Following these victories, we experienced more or less a mid-season slump, losing at Fayetteville 20-6 and here against the Montgomery Greyhounds. But let it be said that our team made the opposition earn their victories. After these heart-breaking defeats, our team next travelled to Van on Halloween night. The Travellers tricks were working as they treated Van to a 32-0 defeat. Our final game with Clay scorers for the Travellers experienced a very successful season and in speaking for the faculty, and students of Gauley Bridge High we would like to thank Coach Morrison; the assistant coaches, Carlton Spicer, Jr. , defensive back, Harry Carelli, line; and a very extended thanks to the players for giving us a great season.

THE YEAR 1972

PEOPLE

. . . The Main

Louis J. Kania
Principal

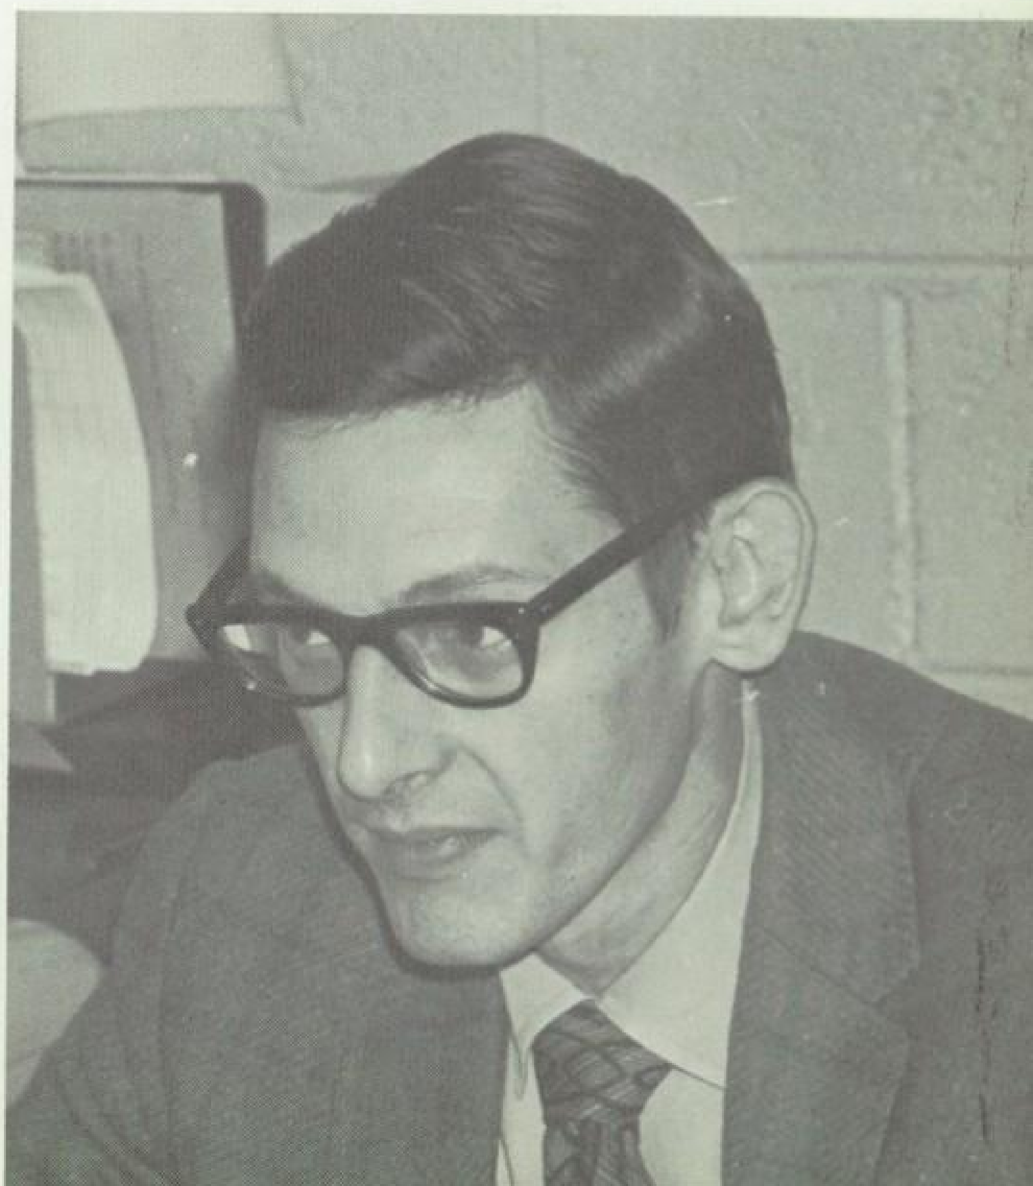

Adding another year of a job well done is Louis J. Kania, head of the G.B.H.S. administration department. Mr. Kania, at one time the basketball coach at G.B.H.S., has accumulated fifteen years of teaching experience. This has made him more than qualified to direct the affairs of G.B.H.S. and its student body.

Establishment

James M. Dempsey
Assistant Principal

For the past two years, G.B.H.S. has been fortunate enough to have, not only for a teacher but for an assistant principal, James M. Dempsey. Adequately dealing with any problems between the students and their teachers and still retaining his teaching position, Mr. Dempsey is truly an asset to the G.B.H.S. administration department and faculty.

The Senior Class
of 1972 Says

Good-By
GBHS

"He Served His Kind By Word And Deed"

Although many students at G.B.H.S. may have never met Mr. G. D. Carson, known affectionatley by the community as "Doc, " he has played a very important part in their education.

For twenty-eight years, Mr. Carson was an active member of the Fayette County Board of Education; five of those twenty-eight years he served as President of the Board.

Over 3,000 Gauley Bridge students have received their diplomas from Mr. Carson. Because of his service and the important role he played in the school and in the community, Mr. Carson will be sadly missed by us all.
